## How we get the personal information and why we have it

Most of the personal information we process is provided to us directly by you for one of the following reasons:

- During your assessment call with one of team members you gave us the information directly
- During the provision of service to meet your support needs you gave us the information directly

We also receive personal information indirectly, from the following sources in the following scenarios:

You were referred to the Norfolk and Waveney Community Support Service from an organisation that identified you could benefit from the support that the service provides. These organisations include:

- An acute hospital, including:
  - Queen Elizabeth Hospital
  - James Paget University Hospital
  - Norwich and Norfolk University Hospital
- Norfolk Community Health & Care (NCH&C)
- East Coast Community Health (ECCH)
- Your GP Surgery
- Adult Social Care
- Norfolk and Suffolk Foundation Trust
- A professional providing you with support, e.g. community nurse, social prescriber
- A charity or other support organisation

We use the information that you have given us to provide temporary, short-term practical support, to support you to remain safe within the community or to be discharged safely from any hospital bed back to your place of residence. The service will be delivered by staff and volunteers through a mix of face-to-face and telephone contact.

We may share this information with our delivery partners:

- British Red Cross
- Age UK Norwich

Under the UK General Data Protection Regulation (UK GDPR), the lawful basis we rely on for processing this information is:

#### We need it to perform a public task.

The Norfolk and Waveney Community Support Service is contracted by the Norfolk and Waveney NHS Integrated Care Board. The service delivered is required by statute for various bodies who will refer to the service:

Health and Social Care (Safety and Quality) Act 2015 - Section 3

Health and Social Care Bill 2022 - section 91

National Health Service Act 2006 Section 251 regulation 5

## Who we share your information with

Norfolk and Waveney Community Support Service will share all information between the partner organisations that together deliver the service:

- Voluntary Norfolk
- British Red Cross
- Age UK Norwich

Whilst any of the partners are working on a case with a client, they may identify a need to have another delivery organisation assist in responding to your support needs. Where this need is identified the service will ensure your understanding of:

- Which organisation is going to be involved in your support
- What service they will deliver to you
- What information will be shared with them to allow them to contact you
- Your right to refuse their involvement and not have your information shared with them

In addition to this the Norfolk and Waveney Community Support Service may have a requirement to pass certain information regarding the support you received back to the organisation that referred you to us.

#### How we store your personal information

Your information is securely stored on Microsoft Azure Cloud services within the UK and Microsoft Macro Region Geography 1 - EMEA (Europe, Middle East and Africa) Which includes any of the following countries \ cities which are all subject to GDPR:

- Austria
  - o Vienna
- Finland
  - o Helsinki
